

Garden Share

*Matching gardeners with
landowners in the Eastern Sierra*

Do you want to garden but don't have a place to garden?

Do you have a piece of land that you'd like
to see have a productive garden?

Join the Garden Share project!

We are matching landowners (with garden space) to gardeners (who need a space) in the Inyo and Mono Counties.

The Eastern Sierra Land Trust is sponsoring the Garden Share project, in cooperation with Eastern Sierra Harvest, in order to support local gardening, make affordable and nutritional food more available, gauge the need for community garden space in our region, and minimize road miles of food eaten in the Eastern Sierra. Matching landowners with gardeners is the perfect solution for cultivating both food production and community.

Program Details:

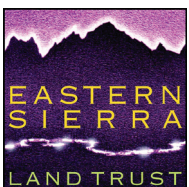

1. Fill out the attached form. If you are a landowner, fill out the landowner section. If you are a gardener, fill out the gardener section. Sign the short disclaimer at the bottom.
2. Return the form or mail it to the Eastern Sierra Land Trust by **May 18, 2009**.
3. The Eastern Sierra Land Trust will contact you with your possible matches.
4. Start gardening and enjoying fresh local produce!

Applications will be accepted after May 18, and matches will continue to be made through June, 2009.
